

April 11, 2015
South Carolina's State Farmer's Market

Touch A Truck, the newest Junior League of Columbia fundraiser and family event, will be held on Saturday, April 11, 2015. The State Farmers Market will be transformed into a world of big rigs and heavy machinery for young and old alike to see up close!

The 6th annual Touch A Truck event will feature all things that go! Kids will have the opportunity to explore exhibits like fire trucks, law enforcement vehicles, bulldozers, agricultural machinery, and antique military vehicles, as well as meet the men and women who build, protect, and serve the Midlands. This community event also features family-friendly entertainment, public safety information plus healthy eating activities from JLC's Kids in the Kitchen. Mascots, face painting, and other amusements round out the fun.
